

Camden Business Facade Improvement Program

THE CAMDEN POWER COMMERCIAL PROGRAM FOCUSES ON PROJECTS THAT DELIVER LASTING BENEFITS TO CITY OF CAMDEN BUSINESS OWNERS AND STIMULATE THE LOCAL ECONOMY BY FUNDING FACADE AND ENERGY EFFICIENCY IMPROVEMENTS.

For any questions or help please call the Camden Power help desk at 410-925-1423 or email [ytadesse@mcfaplanning.com](mailto:ytadesse@mcfaplanning.com)

## CAMDEN POWER COMMERCIAL

Are you a Camden business owner seeking funding for energy efficiency upgrades or facade improvements? Find out about our one time limited project funding programs:

- CAMDEN POWER GRANT
- CAMDEN POWER LOANS
- FACADE IMPROVEMENT GRANT

## CAMDEN POWER COMMERCIAL GRANT AND LOAN PROGRAMS

On behalf of the City of Camden and its support agencies, we encourage you to apply for the Camden POWER (Program Offering Widespread Energy Recovery). This is an excellent, one-time opportunity for Camden businesses to recognize the value of energy conservation and the immediate and long-term benefits associated with these investments.

### 1. CAMDEN POWER GRANT

[www.camdenpower.com](http://www.camdenpower.com)

The Camden POWER grant program is funded through the Department of Energy designed to finance eligible energy efficiency upgrades.

Camden Grant Program	
Program Description	The Camden Power Grant Program pays up to 30% of retrofit costs and the New Jersey Direct Install (DI) pays up to 70% of retrofit costs. Your financial investment is ZERO.
What are eligible projects?	Lighting Heating, Cooling & Ventilation (HVAC), Refrigeration, Motors, Natural Gas, Variable Frequency Drives.
Who is eligible to apply?	Small commercial and industrial facilities with peak demand of 150 kW or less. Also, approval from New Jersey Direct Install program is required.
Where do I start?	Contact: Hutchinson Mechanical Services Ed Hutchinson or Mike Hutchinson Phone: (888) 777 - 4501 Email: DIcoordinator@hutchbiz.com or Camden POWER help desk Phone: (410) 925 - 1423 Email: ytadesse@mcfaplanning.com

## 2. CAMDEN POWER LOANS

[www.camdenpower.com](http://www.camdenpower.com)

Capitalized with funds from the City of Camden, the United States Department of Energy, the Camden County Improvement Authority, the Economic Recovery Board for Camden, and New Jersey Community Capital, the Camden POWER Commercial Program will help qualified business and commercial property owners conserve energy and reduce utility costs by connecting them with financing of energy efficiency improvements specifically targeted to conserve energy with the ultimate goal of achieving a 15% reduction from your existing system.

Camden Loan Program	
Program Description	The Camden POWER Commercial program offers low-interest loans to Camden business and commercial property owners for the installation of energy efficiency improvements and upgrades.
What are eligible projects?	Any energy efficiency improvements and upgrades that are identified through an energy audit. Additional loan funds may be available for Life and Safety improvements.
Who is eligible to apply?	Any commercial and industrial facilities that are not qualified under Direct Install.
Where do I start?	Contact: New Jersey Community Capital Cara Purcell or Leah R. Apgar Phone: (732) 640 - 2061 x408 Email: cpurcell@njcfc.com or Camden POWER help desk Phone: (410) 925 - 1423 Email: ytadesse@mcfaplanning.com

## 3. FACADE IMPROVEMENT PROGRAM

[www.camdenfacade.com](http://www.camdenfacade.com)
