Dear Sustainable Jersey:

I am writing this letter in support of the continued efforts of the Camden City Green Team and their goal to obtain Silver Certification under the Sustainable Jersey program in 2013. The City of Camden is fortunate to have a very active Green Team which has devoted a significant amount of time in the past several years to expand the City's sustainability initiatives. If I can be of any further assistance, please do not hesitate to contact my office at 856-757-7200.

Sincerely,

A handwritten signature in cursive script that reads "Dana L. Redd".
