

May 4, 2016

Greetings:

You are cordially invited to attend PowerCorps Camden's first Networking event to be held on:

Thursday May 19, 2016

Camden County Municipal Utilities Authority

1645 Ferry Ave Camden, NJ

3:00pm-4:30pm

This event is being held to provide professional networking experience to PowerCorps Camden's first cohort of members. PowerCorps Camden members will present about their experiences as well as the work related skills and professional development training that they have attained over their six months of service. In addition, we are asking that attendees say a few words about their organization so that our members are able gain knowledge about the workforce needs in Camden as well as in the surrounding areas. At the end of the event, we want to allow members and employers to mingle and network.

Please RSVP to this event by Monday May 16, 2016 to let us know whether or not you are willing to attend and also if would be willing to speak for a few minutes about the mission of your agency. Please send your replies to kirby.gaherty@centerffs.org or contact me at 413-281-6640.

Attached is additional information about PowerCorps Camden and a fact sheet regarding hiring our members. We hope that you are able to attend and encourage our young leaders to aspire toward their career goals.

Thank you in advance,

Kirby T. Gaherty

Ms. Kirby T. Gaherty

Social Services/Workforce Development Coordinator
