The Camden County Board of Freeholders’ Addiction Awareness Task Force aims to provide a safe, convenient, and responsible means of disposing of prescription drugs. No longer needed or outdated prescription drugs in homes are the same drugs that have unfortunately become the target of theft and misuse, oftentimes by people who have access to the residence. America’s 12 to 17 year olds have made prescription drugs the number one substance of abuse for their age group, and much of that supply is coming from the medicine cabinets of their parents, grandparents, and friends. Help us end medicine abuse by disposing of unneeded prescription drugs at a drug drop box near you.
