Five In 5
Questionnaire

Five In 5

*Did You Know That
We Lost 15,000 Trees
in Hurricane Sandy?*

HOW YOU CAN HELP

- **Take the Pledge.** Plant five trees in your yard over the next 5 years. If five seems like too many, plant whatever you can.
- **Ask Your Neighbors to Take the Pledge.** Share the spirit and help beautify your neighborhood.
- **Tell Us About Your Tree Planting.** Keep the Township informed as we track our progress toward 5,000 new trees in Bernards Township. [Click here to fill out a questionnaire](#) and send us a photo at ShadeTree@bernards.org.
- **Make a Donation.** If adding trees on your own property is not in your plans, make a contribution to support planting on public spaces in Bernards Township. Checks should be payable to "Bernards Township."
- **Get Involved.** Help a civic group working on a public planting project, suggest a public planting project or identify a worthy site. We'd love to hear from you with your ideas and support.
