COMMUNITY CARING

Brownies from Troop 65631, who are in the third grade, planted a salad garden outside the children's room of the Watchung Library Under the direction of Anne DeParto of the Garden Club of Watchung, the Brownies quickly filled the garden with a variety of herbs, including parsley, rosemary, thyme. They also planted lettuces, tomatoes and even popping corn.

The Garden Club of Watchung generously donated the plants for the troop. The children, with the guidance of troop leaders Cara Salas and Marilyn Cubano, will continue to maintain the garden over the summer, then donate the harvest to the Food Bank Network of Somerset County.

This is the second summer that the Brownies and the Garden Club of Watchung have planted a garden. Brava! And thanks to all!
