Mr. Chris Rutishauser
Director of Public Works, Village of Ridgewood
Ridgewood Water Works
131 North Maple Avenue
Ridgewood, New Jersey 07450

Dear Chris:

On behalf of the Bergen LEADS Class of 2015, I would like to thank you for participating in the Bergen LEADS Environment Seminar. Class members have enthusiastically endorsed the entire day, which was made richer and more meaningful by your involvement.

We have received evaluation forms from most of the class, and they were very positive regarding the speakers during the seminar. A sampling of the comments we received:

"Chris was an eye-opener!"

"Today was a great day. Great site visit and host!"

"My visit to the Ridgewood Public Works made me even more environmentally conscious."

We know that your days are busy, and we appreciate you taking the time from your schedule to be a part of the seminar. You may be hearing from us again as we move through the Bergen LEADS year – thank you again for your participation.

Sincerely,

Beanne DeGuzman
Bergen LEADS Manager
