GreenRidgewood

Published by Jiffy Vermeylen [?] · August 25 · ·

Have you noticed any changes behind the Recycling Center and Fire Department Headquarters? The Shade Tree Commission and the Department of Parks & Recreation are excited to announce the creation of a Village-owned and operated nursery.

Bare root saplings will grow for several years prior to being planted on Village property throughout Ridgewood. Time in a nursery environment under the watchful eye of Parks and Recreation employees and the Village Arborist will maximize the potential of these saplings to thrive and benefit the entire community by allowing larger, healthier trees to be planted in Ridgewood.

There are now more than 100 saplings in the nursery. Stop by and check it out next time you're in the area.
