

A photograph of a large, multi-story brick building with a distinctive teal-colored roofline. The building features numerous windows and a curved section on the right side. In the foreground, there is a paved plaza with two young trees planted in circular pits. A set of stairs with a black railing leads up to the building's entrance on the left. The scene is set against a cloudy sky. A large, dark, stylized rose graphic is overlaid on the right side of the image.
